

# QUARTZ CREEK CULVERT REPLACEMENT PROJECT NEWSLETTER

---

Paul Akehurst – Project Engineer  
Western Federal Lands Highway Division  
Federal Highway Administration

***JRT Construction, LLC***

For the week of September 19 to 23, 2016

## Completed Work:

The contractor completed the rip-rap on the two arch pipes at stations 36+22 and 45+19. They also completed the rip-rap on the inlet of 144-inch pipe at station 21+00 and half of the back filling over the pipe.

## Upcoming Work:

The contractor anticipates the following work:

- Finish the back fill on the 144-inch culvert at station 21+00 and the rip-rapping of the outlet.
- Completing the back fill of the arch pipe at station 45+19.25.
